

“Aaron Larget-Caplan is a riveting artist”(Washington Post), and has “astounding technical proficiency and artistic delicacy” (Boston Musical Intelligencer). Aaron Larget-Caplan is a Stone Records recording artist and international touring guitarist. A deft programmer, Aaron has premiered over 80 compositions, and his groundbreaking arrangements of the music of John Cage are the first to be published by the estate (Edition Peters). His recordings are available on Albany, Navona and Stone Records, and he is on faculty at University of Massachusetts Boston and formerly Boston Conservatory.
