

# Aaron Larget-Caplan, Guitarist & Composer

## Arts Enrichments – Young People’s Programs

Presenting classical music performances in educational and entertaining events, Aaron Larget-Caplan uses his guitar to explore cultural traditions, history, and languages. Asking questions about learning, music, and being an artist for students and listeners of all-ages. The interactive musical performances are held in at schools, community settings, or as part of larger cultural arts residencies.

### 1998-Present
